MEMORANDUM

2010-19

TO: License Plate Issuing Officials

FROM: Sherry Helms, Registration Unit Supervisor
Motor Vehicle Division

SUBJECT: Temporary Disability Access Parking Placards

The Motor Vehicle Division has received a **partial** order of the redesigned Temporary Disability Access Parking Placards which are being distributed at this time. We expect to have our full order and to make an additional distribution to the county offices by the end of August.

Temporary Disability Access Parking Placards have been redesigned to include multiple expiration years (2010 through 2019). The month and year should be punched when a placard is issued. With the placards before the redesign, the placards were punched below the appropriate expiration month but with the current design the spacing is not available.

Current 2010 temporary placards may continue to be issued for disabilities that expire prior to January 1, 2011.

If you have any questions regarding this matter, please contact the Registration Section at tags@revenue.alabama.gov or (334) 242-9006.
